Welcome to the 2019 Annual Report of the Franklin County Municipal Court and Clerk's Office.

The Clerk's Office works daily with agencies of the criminal justice system and the community to ensure access to justice and to promote public trust and confidence. In 2019 the Clerk's Office focused on initiatives that aligned with our Mission and Vision Statements. A few, such as web-chat and text notifications enhanced our customer service. We participated in programs like the Environmental Court Open House, Evictions, and Record Sealing clinics as a part of our community outreach. Also, we organized and led two Drivers' License Reinstatement Workshops, to expand the positive and important impact our Office has on the lives of those we serve. These accomplishments were achieved in addition to maintaining daily operations and making necessary modifications related to legislative changes. This report reflects the dedication and commitment to service demonstrated by the staff of the Clerk's Office and the Court.

New case filings for 2019 totaled 173,574 compared to 182,716 filed in 2018 for a decrease of 5%. Costs, fines, and fees collected equaled \$41.2M in 2019 compared to \$41.6M in 2018 for a decrease of 1%. The total amount referred to collections in 2019 was \$4.85M, an increase of 10% over 2018. Overall collection of court-ordered fines and costs through the efforts of four collection agencies increased by 7% for a total of \$1.27M. The collection of court-ordered bond forfeiture judgments decreased by 9.8% from \$542,798 to \$489,250 respectively.

Changes in state laws and local court rules continued to affect processes and procedures in the Clerk's Office through the end of 2019. A few highlights:

- House Bill 336 Ohio Bureau of Motor Vehicles Driver's License Reinstatement Fee Reduction and Amnesty Initiative (passed in 2018, effective in 2019).
- House Bill 95 Distracted driving (\$100 fee associated with class)

- Administrative Order 06-2019 Directs the Clerk to file evaluations of competency and/or defendant's mental condition at the time of offense and reports regarding restorative treatment or continuing evaluation under seal.
- Modified/added race categories to Case Management System following recommendations from the Ohio Highway Patrol's Electronic Citation Program and Data Standards set by the National Center for State Courts.

The annual audit was again performed by Plante & Moran, PLLC. Auditors inspected a sampling of accounting/financial transactions, file integrity, checks and balances of duties performed, and personnel records including time sheets. Reporting of case dispositions to the Bureau of Identification was added to the audit.

Thank you for taking the time to read our 2019 Annual Report.

HISTORY OF THE FRANKLIN COUNTY MUNICIPAL COURT

In 1916, the General Assembly of the State of Ohio created the Columbus Municipal Court. Prior to this time, the court operated under the Justice of the Peace System. On July 5, 1955, the Columbus Municipal Court was given countywide jurisdiction and, in 1968, the State Legislature changed the name of the court to the Franklin County Municipal Court.

The court has two (2) judicial divisions. The General Division operates with fourteen (14) judges, and six (6) magistrates. The Environmental Division, which began operations in 1992, has one (1) judge. In addition to performing all of the duties within the general division, the Environmental Division also has exclusive jurisdiction over criminal and civil actions to enforce building, housing, health, or safety codes applicable to premises intended for use as a place of human habitation. The Clerk of Court, serving both divisions, has a myriad of both financial and case management duties, as prescribed by law. The terms for the judges and the clerk are for a period of six (6) years.

The Court's administrative functions are overseen by Court Administration. Among these services are the Office of the Jury Commissioner, the Office of the Assignment Commissioner, Probation Services, the Small Claims Division, the Court Reporters, Court Security, the Service Bailiffs, the Courtroom Bailiffs, the Language Interpretation program, the Vehicle Immobilization Program, Legal Research, the Appointed Counsel/Volunteer Coordinator's Office, and Specialized Dockets.

In 1979, the court moved from its facilities in City Hall to the Franklin County Municipal Court building, located at 375 South High Street. Currently, the court has two (2) traffic-arraignment courtrooms, two (2) criminal-arraignment courtrooms, two (2) record hearing courtrooms, one duty courtroom and sixteen (16) jury courtrooms in the General Division. The Environmental Division operates with one (1) courtroom for its arraignment sessions, as well as its record and jury trials.

The Franklin County Municipal Court Clerk's Office is divided into several divisions. The divisions occupying the first four floors of the Municipal Court Building are: Clerk Administration, Accounting/Finance, Audit and Internal Controls, Civil, Collections, Criminal/Traffic, and the Traffic Violations Bureau/Communications. The Office of Information Services is located on the 16th floor.

FRANKLIN COUNTY MUNICIPAL COURT

The Franklin County Municipal Court has jurisdiction over traffic citations, criminal misdemeanor charges and civil case filings regarding disputes that range up to an amount of fifteen thousand dollars (\$15,000.00), as well as actions regarding building, health, housing or safety codes.

The Franklin County Municipal Court has county and city jurisdiction (reaching into Delaware and Fairfield County) and is divided into two (2) Divisions. Accounting/Finance Division

The Accounting/Finance Division oversees the collection of and accounting for all fines, court costs, fees, bail, garnishments, and judgments issued by the Court. The Division oversees the disbursement of collected funds to the appropriate parties and releases funds in satisfactions, judgments, attachments, garnishments, and executions. The Accounting Division also has three internal payment programs in compliance with the Ohio Revised Code and Local Court Rules. The programs are as follows:

Time Payment Program

This program under authorization by the sentencing Judge allows a defendant to make monthly payments on court fines and costs up to twelve months or until balance is Paid in Full.

Total number of sign-ups in 2019: 1,806

Total cases on program Paid in Full in 2019: 750

Rent Escrow Program

This program allows tenants with complaints regarding their residential housing conditions to deposit rent due into an escrow account until the matter has been resolved.

Cases filed in 2019: 263

Trusteeship Program

This program allows a debtor to deposit a portion of the personal earnings with the Clerk of Courts to avoid legal proceedings by creditors. The funds collected are disbursed to creditors equally until all debt is Paid in Full.

Cases filed in 2019: 16

EPAY Online Payment Service

This is an online payment convenience that is offered by the Clerks Office for payments of payable citations, and also payment of fines and costs incurred once adjudicated.

Total cases paid in 2019: 47,052

Amount collected in 2019: \$9,026,075

Accounting/Finance Division

Restitution Program

This program was implemented February 1, 2015. It is under the authorization of the sentencing Judge and allows the defendant to make monthly payments for the set restitution amount. The Clerk's Office ensures the payments are then forwarded to the victim. No extra fees are charged by the Clerk's Office for this process.

- New payment sign-ups in 2019: 658
- Payments forwarded to victims in 2019: 2,465
- Total Amount forwarded to victims in 2019: \$405,003.06
- Cases with restitution Paid in Full in 2019: 577

The Accounting/Finance Division is responsible for preparing a monthly general accounting for all funds received and disbursed by the Clerk's Office. These records are audited annually by a licensed certified public accounting firm and approved by the State Auditor's Office. Accomplishments for Accounting/Finance in 2019 are as follows:

- Implemented new bailsheet scanning process at the time bond is posted for real time updates.
- Civil eviction cost increase updated (Local Rule 13, Schedule 9)
- RC 4511.213 added to the fine schedule with a fine of \$100. With the addition to the fine schedule, this made the fine now payable.
- Set up ACH process with FivePoint for Efiling Expungements in Criminal Division.
- Participating in the Kiosk Project slated to go in 2020.
- Conducted an office wide bond tutorial.
- Provided pre-paid credit card option for BMV fees at both BMV workshops.

Notes to the Financial Statements

Notes A - Summary of Significant Accounting Policies

Reporting Entity

The Franklin County Municipal Court (the court) was created and operates under the authority of Section 1901.01 of the Ohio Revised Code. Under the present law, the Court operates with 15 elected Judges and an elected Clerk of Court, each whom serves a six-year term. The court has been granted jurisdictions for the entire area of Franklin County.

For financial reporting purposes, the Court is an agency fund group which consists of the agency fund of the five divisions of the Court: Criminal/Traffic, Bail, Civil, Trusteeship and Rent Escrow. The operating expenses of the Court are funded by the City of Columbus and Franklin County and are not; therefore, part of the reporting entity.

Basis of Accounting

The Court prepares its financial statements on the basis of cash receipts and disbursements. Under this method of accounting, revenues are recognized when received in cash rather than when earned and disbursements are recognized when paid rather than when incurred.

Note B - Civil Fund Receipts
