Letter from Clerk Lori M. Tyack

Welcome to the 2022 Annual Report of the Franklin County Municipal Court Clerk's Office. The Clerk's Office collaborates daily with agencies of the Justice System and the community to ensure access to justice and promote public trust and confidence. In 2022, the Clerk's Office focused on initiatives aligned with its Mission, Vision, and Value Statements.

New case filings totaled 116,367 compared to 104,515 filed in 2021 for an increase of 11.3%. Costs, fines, and fees collected equaled \$33.7M compared to \$31M in 2021 for an increase of 8.7%. The total amount referred to collections was \$2,633,523.25, for a decrease of 13.2% over 2021. Overall collection of court-ordered fines and costs through the efforts of four collection agencies decreased by 36.7% from 2021, for a total of \$979,924.77. The collection of court-ordered bond forfeiture judgments decreased by 22.7% from \$202,558 to \$156,566.50 respectively.

The past year proved to be very challenging and rewarding for the entire Clerk's Office. These are a few of the highlights:

- The Civil Division assumed responsibilities from the Court for Small Claims case processes, realized an increase of civil case filings (especially evictions), and experienced a loss of a significant number of staff.
- Evictions filed totaled 20,984, for an increase of 35% over 2021 and 15% over 2019.
- New civil and subsequent case filings with filing fees were added, increasing the number of filings to more than 6,400. Of those filings, Accounting/Finance processed 2,500 filings with filing fees.
- Three Administrative Orders impacted the processing of Certified Mail Returns. The first Order directed the Clerk to reject Certified Mail Returns with notations of COVID-19 or C-19. And, the second Order required a printed name, signature, and confirmation of the address for a successful Return. As a result, the number of successfully served Certified Mail Returns dwindled down to approximately 20%. The Third Administrative Order stayed the Second Administrative Order. Commercial Carrier service is being considered to improve service and accountability.

Letter from Clerk Lori M. Tyack

- The Criminal/Traffic Division began accepting electronic filings from Prosecutors, Public Defenders, and private attorneys. Law enforcement electronically filed warrants issued. Overall, more than 5,500 electronic documents were received, including 600 applications for record sealings.
- Criminal/Traffic, Accounting/Finance and the Office of Information Services worked cooperatively with the Franklin County Sheriff's Office to prepare a space for clerking services in the new Jail. Once the new jail is operational, on-site services will be provided to assist law enforcement with arrests and bond outs.
- In addition, the Clerk's Office staff:
 - Provided onsite support to law enforcement during multiple agencies warrant sweeps.
 - Supported community events such as Record Sealing Clinics at the Milo Grogan Community Center and the Online Record Sealing Program sponsored by the Franklin County Self-Help Resource Center.
- Accounting/Finance and one of our Project Coordinators, worked with ClaireVista to create and implement a payment process for collection of bond, fines and costs using our live-agent Kiosks.
- The Office of Information Services implemented new security measures and software upgrades including:
 - A new Data Security Platform to identify ransomware attacks.
 - New security scanning software for critical infrastructure.

I am very grateful and proud of my staff for their ability to adapt and maintain operations while dealing with short staffing, legislative changes, and increased case filings. Thank you for taking the time to read the 2022 Annual Report.

HISTORY OF THE FRANKLIN COUNTY MUNICIPAL COURT

In 1916, the General Assembly of the State of Ohio created the Columbus Municipal Court. Prior to this time, the court operated under the Justice of the Peace System. On July 5, 1955, the Columbus Municipal Court was given countywide jurisdiction and, in 1968, the State Legislature changed the name of the court to the Franklin County Municipal Court.

The court has two (2) judicial divisions. The General Division operates with fourteen (14) judges, and six (6) magistrates. The Environmental Division, which began operations in 1992, has one (1) judge. In addition to performing all of the duties within the general division, the Environmental Division also has exclusive jurisdiction over criminal and civil actions to enforce building, housing, health, or safety codes applicable to premises intended for use as a place of human habitation. The Clerk of Court, serving both divisions, has a myriad of both financial and case management duties, as prescribed by law. The terms for the judges and the clerk are for a period of six (6) years.

The Court's administrative functions are overseen by Court Administration. Among these services are the Office of the Jury Commissioner, the Office of the Assignment Commissioner, Probation Services, the Small Claims Division, the Court Reporters, Court Security, the Service Bailiffs, the Courtroom Bailiffs, the Language Interpretation program, the Vehicle Immobilization Program, Legal Research, the Appointed Counsel/Volunteer Coordinator's Office, and Specialized Dockets. The Court previously housed the Small Claims Division, however in June of 2022 the Court reassigned those services to the Clerk of Court, Assignment, and the Self Help Resource Center.

In 1979, the court moved from its facilities in City Hall to the Franklin County Municipal Court building, located at 375 South High Street. Currently, the court has two (2) traffic-arraignment courtrooms, two (2) criminal-arraignment courtrooms, two (2) record hearing courtrooms, one duty courtroom and sixteen (16) jury courtrooms in the General Division. The Environmental Division operates with one (1) courtroom for its arraignment sessions, as well as its record and jury trials.

The Franklin County Municipal Court Clerk's Office is divided into several divisions. The divisions occupying the first four floors of the Municipal Court Building are: Clerk Administration, Accounting/Finance, Audit and Internal Controls, Civil, Collections, Criminal/Traffic, and the Traffic Violations Bureau/Communications. The Office of Information Services and the Imaging Department is located of the 16th floor.

FRANKLIN COUNTY MUNICIPAL COURT

The Franklin County Municipal Court has jurisdiction over traffic citations, criminal misdemeanor charges and civil case filings regarding disputes that range up to an amount of fifteen thousand dollars (\$15,000.00), as well as actions regarding building, health, housing or safety codes.

The Franklin County Municipal Court has county and city jurisdiction (reaching into Delaware and Fairfield County) and is divided into two (2) Divisions. The General Division is served by fourteen (14) Municipal Judges and the Environmental Division is served by one (1) Municipal Judge. Seven (7) Magistrates also serve the Franklin County Municipal Court. Judges serve for a term of six (6) years.

Traffic Violations Bureau/Communications Department

The Traffic Violations Bureau (TVB) initiates all traffic citations, criminal/traffic and environmental complaints issued by law enforcement into the case management system. Twenty-one (21) Municipal Law Enforcement agencies and eight (8) Townships within Franklin County are served, including: Columbus Division of Police, Ohio State Highway Patrol, Franklin County Sheriff, Ohio State University Police, and Port Columbus Police. Franklin County Municipal Court has jurisdiction in three (3) counties: Franklin, Delaware, and Fairfield.

Franklin County Municipal Court Clerk's Office processes cases for eighteen (18) Mayor's Courts. Cases are transferred for further action before the Court. Over the last five (5) years, case transfers ranged from (1,869) 2016 to 1,128 (2021).

The Communications Department/Mail Room operates within Traffic Violations Bureau. The function of the Communications Department is to further promote ongoing communications and the delivery of excellent public service to the public, law enforcement agencies, attorneys, court personnel, other courts, and governmental agencies. Public Records Requests for traffic related offences are received daily and timely responses are sent by email or by regular U.S. Mail.

Daily mail for the Court and Clerk's Office is received twice per day, sorted, opened, and documented using excel worksheets. Payments received via mail are also included in the excel worksheets for tracking purposes. The Clerk's Office employs one mailroom Deputy Clerk to deliver mail to the City's Mailroom for postage and processing. This Deputy Clerk also drives to/from the U.S. Post Office, the Ohio Bureau of Motor Vehicles, and Columbus City Hall to pick up and deliver mail and interoffice envelopes.

Deputy Clerks image all court documents received to ensure easy access, including mail received with payments, Notices/Summons sent, Statement of Facts from Police Agencies, the Environmental Weight Record, and Fingerprint (ITN) cards. Fingerprint cards received daily contain ITN numbers, which are entered into the case management system manually. Notice letters for new or future court dates on traffic cases are created and mailed. Additionally corrected payment letters are created and sent reminding defendants of the balance owed on their case.

Accounting/Finance Division

The Accounting Finance Division oversees the collection and accounting for all fines, court costs, fees, bail/bonds, garnishments, judgments, and restitution, which are issued by the court. The Division processes a monthly disbursement of all the collected funds to the appropriate state, city, county, and township agencies.

Accounting Finance also has four (4) internal payment plan programs that are in compliance with the Ohio Revised Code, and the Local Court Rules, and an online payment service that is offered through the Clerk of Courts. The programs are as follows:

- ***Time Payment Program*** for fines, costs, and restitution, which is authorized by the sentencing Judge, allows a defendant to make monthly payments up to twelve months or until balance is paid in full.

Total new sign-ups in 2022: 488

Total cases on program paid in full in 2022: 182

- ***Rent Escrow Program*** allows tenants that have a complaint regarding their residential housing conditions to deposit their rent payment into an escrow account until the matter has been resolved.

New cases filed in 2022: 213

- ***Trusteeship Program*** allows a debtor to deposit a portion of their personal earnings with the Clerk of Courts to avoid legal proceedings by creditors. The funds received are disbursed to the creditors equally until all debt is paid in full.

New cases filed in 2022: 7

- ***Restitution Program***. The restitution payment that is ordered by the court is made to the Clerk of Courts, and is sent directly to a victim, or victims to compensate for any damages the court has deemed appropriate in that case. The Clerk does not charge any fees for this service of the court.

Payments forwarded to victims in 2022: 1745

Total monies forwarded to victims in 2022: \$362,705.47

Cases with restitution paid in full in 2022: 424

- **Civil E-Filing.** Civil E-Filing is the electronic filing of new Civil cases. Related subsequent filings are also accepted. Filings with payments attached were accepted beginning in February, 2022.

Amount collected from the civil E-Filing in 2022: \$212,212.00

Total number of civil cases electronically filed in 2022: 239

- **Online Payment Service (EPAY).** This is an online payment convenience that is offered by the Clerk of Courts for payment of payable citations, and for any fines and court costs once a case is adjudicated.

Total number of cases paid through the online payment service in 2022: 27,610

Amount collected through the online payment service in 2022: \$5,644,513.00

Accomplishments for Accounting/Finance in 2022 are as follows:

- Launched Civil E-Filing to accept new cases and supplement filings from attorneys and pro se filers.
- ClaireVista created auto-fill bail forms for the payment Kiosk. Kiosks currently accept bond payments.
- Added a “Payee Match” and “Teller Positive Pay” with Huntington Bank for a new level of fraud prevention.
- Setup Civil Accounting faxes to be received through email and removed the antiquated fax machine.
- Purchased a SafeDeposit machine for the new jail. New equipment will ensure proper money handling procedures for the off-site location.

Notes to the Financial Statements

Notes A - Summary of Significant Accounting Policies

Reporting Entity

The Franklin County Municipal Court (the court) was created and operates under the authority of Section 1901.01 of the Ohio Revised Code. Under the present law, the Court operates with 15 elected Judges and an elected Clerk of Court, each whom serves a six-year term. The court has been granted jurisdictions for the entire area of Franklin County.

For financial reporting purposes, the Court is an agency fund group which consists of the agency fund of the five divisions of the Court: Criminal/Traffic, Bail, Civil, Trusteeship and Rent Escrow.

The operating expenses of the Court are funded by the City of Columbus and Franklin County and are not; therefore, part of the reporting entity.

Basis of Accounting

The Court prepares its financial statements on the basis of cash receipts and disbursements. Under this method of accounting, revenues are recognized when received in cash rather than when earned and disbursements are recognized when paid rather than when incurred.

Note B - Civil Fund Receipts

In addition to the Civil Fund total receipts and disbursements, cases are processed for the City of Columbus, State of Ohio and Franklin County agencies with filing fees deferred until a decision is rendered by the court

Additional Amount Breakdowns

See statements for summary totals of this information

Note C - Statement of Disbursements to Municipalities

The DUI Education Fund fine amounts are included in the totals for each municipality and township.
