Changes to the Court and Clerk's Termination of Cases Process

Several changes to the Franklin County Municipal Court Clerk's termination process, often referred to as the Drop List, have recently gone into effect. Please see additional details below.

Previously, the monthly reports were submitted and posted in The Daily Reporter. Due to its closure in December of 2025, the Municipal Court has changed Local Rule 12.02 to allow the Clerk's Office to post the monthly report on the Clerk's website.

The monthly reports below are comprised of cases that will be dismissed without prejudice at plaintiff's cost pursuant to Local Rule 12.02. These cases have been pending for more than a year from the date of filing of the complaint. The cases will be dismissed at the end of the month (i.e. April's Report will be dismissed at the end of April). If you have any questions, please contact the Civil Division at (614) 645-7220.
